NEW LOGO

A word from our SASMAD Director:

In recent years, SASMAD has invested a lot of energy in promoting our Service. Over time, we have developed new tools, such as leaflets, a logo, posters, bookmarks, banners, business cards, and more. As a diocesan service, we have always insisted on our membership within the Catholic Church in Montreal and used both the logo of the diocese and the SASMAD logo whenever it was appropriate. Today, SASMAD takes a new step and is part of the diocesan initiative which will proceed to create a standard visual identity for all of its Offices and Services. It's really about creating a new, harmonized branding (logo). From now on, you will notice that SASMAD will use a new logo that will be introduced gradually into all of the visual representations of our Service. The logo is bilingual which fosters a sense of belonging of the English-speaking communities to the Service.
