Thursday, November 12

PHC/SASMAD Coordinators
Meeting 10:00-11:30 a.m.

Saturday, November 21

Parish Vitality

Videoconference with

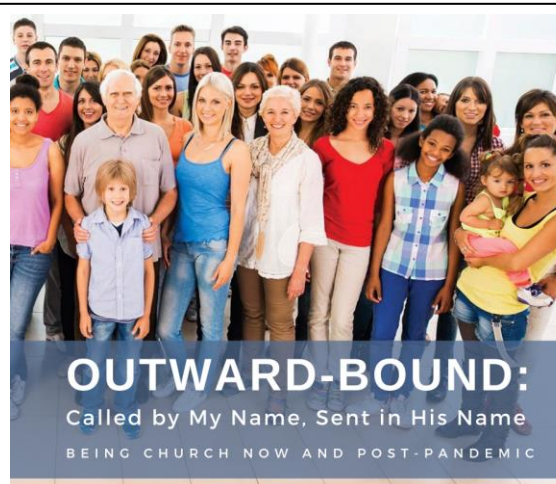

Archbishop Paul André Durocher
of Gatineau (see info at right)

During this month when we traditionally remember all those who have died, let our thoughts turn to loved ones, family and friends who have died. Their memory blesses us. As we remain resilient throughout this pandemic, we bring to mind those who have died from the coronavirus and those who have died caring for them.

Our faith reminds us that death is not the last word and we invoke the intercession of the saints and all those who have gone before us to give us strength, wisdom and perseverance to deal with any challenges we may be facing.

We remember too all those who have died in service to our country. Their sacrifice brought us a quality of life and freedom that few other countries enjoy. May we remember them.

As we remember, let us pray together this Litany of Solidarity and Hope during a Pandemic: http://bit.ly/Litany_SolidarityHope

*Join us for this free Parish Vitality video conference with Archbishop Paul-André Durocher on **November 21, 2020** from 10:00 a.m.-12:00 p.m.*

Stay tuned for follow-up parish vitality workshops throughout 2021.

SASMAD News

We will continue to be in touch every Monday with our **Check In** e-mail. If you are not receiving it and would like to, contact Cathie.

Great news! **Marie Tanga** our SASMAD coordinator for the North region is back home after a hospitalization with Covid-19. She is recovering slowly! Thank you for your prayers.

Work is ongoing for our new **SASMAD website**. We are looking for translators from French to English to help us with the English content. Any volunteers? Many hands make light work! 😊

Congratulations to **Bishop Tom Dowd** who was recently appointed by Pope Francis as Bishop of Sault Ste. Marie, Ontario. We wish him every blessing as he takes on this new role in December. You will be missed! Always a strong supporter of SASMAD/PHC, Bishop Dowd helped SASMAD get its visit report system online a couple of years ago.
