

Visual Aid for Sharing

1. I begin by placing myself in the presence of the Lord. Jesus said "where two or three are gathered in my name I am there among them. (Mtt.18:10) I reflect on the chosen topic, and I prepare something in writing to share with the others. I speak from my personal experience, starting with "I felt ...", or "what came to me was ..." or "I experienced ..."

Round 1: We share in turns, rotating clockwise. Only one person talks at a time, the others listen carefully, no interruptions. Each person has 3 minutes to share.

Round 2: Follow the same format as round 1. This time we share about what affected us the most in what we heard from the first round of sharing. Pause for a moment to reflect on what seems to be emerging or converging from our sharing.

Round 3. We don't need to follow a clockwise order. We share about what seems to be emerging or what we are most grateful for. Is there something we feel called to do? We conclude with a short prayer of thanksgiving.
